

A BIG thank you to everyone who has signed into our new Rural Midwifery website, and for those that have not yet signed in, please see the below steps on how to do so:

To access the **Rural Database** you need to log on to the **New Zealand College of Midwives Membership Database**, go to www.midwife.org.nz then click on 'Login' as shown below.

Enter your email address. If you are unsure of this please contact membership@nzcom.org.nz. If you are not currently registered with the New Zealand College of Midwives you can do so by visiting their website on www.midwife.org.nz. When you have logged in, click the on **"Portal System"**.

This will take you to the **Members Homepage**, click on the **Sheep** to view our new website.

From here you can **Sign up for Locum Cover**, or if you wish to become a Locum, you will need to click on the **Become a Locum** button and complete the form.

All bookings will be requested and confirmed by email so watch your inbox for these messages and follow the instructions so the cover can be booked. At the conclusion of any locum cover, both the midwife and the locum will be asked to place feedback on the cover. Once this is completed by both parties, the payment process begins for the locum.

If you have any questions contact our office on 0800Midwife/643 9433 or via email on Mandy.Lundy@mmpo.org.nz or Sue.Morris@mmpo.org.nz

Thank you from the Rural Team

Please remember to log back into your account frequently to approve and/or submit any awaiting feedback.
